**The North Platte Pharmacy,
Exclusive Agents.**

Free Sample Shade Cards.

**When You Buy Paint
Buy Good Paint....**

And that means **SHERWIN & WILLIAMS' PAINT.** We have been handling this make for many years and have found that it gives excellent satisfaction in every instance. It may cost a trifle more per gallon than inferior paints, but it's cheapest in the end. It sticks and holds its color longer than other paint. We can furnish you any color or quantity.

A. F. Streitz, Druggist.

People Known in North Platte.

A Holzmank, who has been in the dry goods and clothing business in Gothenburg since 1885, closed out his stock this spring and has located in St. Joseph, Mo., where he handles stents furnishing goods. He and wife arrived from Chicago last Saturday and have been busy this week packing and loading their household goods, which they are shipping to St. Joseph. Their many friends and customers wish them success in their new location. —Gothenburg Independent.

On Wednesday Rev. W. D. Crane loaded his household goods into a car and sent them to University Place, Lincoln. Next Monday he and his family will go to University place where they will establish themselves in a home and then Rev. Crane will return here and remain until conference. Mrs. Crane and Miss Mildred will reside at University Place and the latter will study music at the conservatory. —Lexington Clipper.

Mrs. Fred Letts has resigned the management of the Pacific Hotel and has gone to Iowa to visit relatives. Mr. and Mrs. M. O. Wolcott of Omaha assumed charge of the hotel Wednesday. —Sidney Telegraph.

BETWEEN THE RIVERS.

W. A. Paxton is pasturing about two car loads of cattle on the old Canal Company's land near Spuds.

The ground is in fine condition for plowing and a number of farmers are busily engaged in that work. The indications at the present time are that there will be a large acreage of fall grain sown this fall.

Roy Ericason of Maxwell opened up his second term of school at the Platte Valley school house Monday.

Ernest Gibbon and family of Spuds will depart by team for Colorado to locate as soon as he can dispose of his present crop.

D. McLaughlin and family expect to depart for the vicinity of Gering with a view of locating as soon as they can dispose of this season's crop.

The parties residing in the locality of the Platte Valley school house who have been intending to make an overland trip to Oklahoma to locate have lately given up the trip owing to the fact that it is a dryer country than this and will remain in this country where they can make a living.

The highways through the country are in a bad condition caused by the late rains.

H. H. Hollingsworth who has had charge of a section crew for some time past is at this time working on the section at Hershey where his family has resided during his absence.

A son of W. W. Young of Lodge Pole is looking after his father's coal, lumber and hardware business at Hershey during Manager Hill's absence in the east.

Seeberger & Co. at Hershey are shipping considerable small grain this season from that point.

We are informed that Frank Limpus, day operator at Hershey, and Earl Adams, night operator at that place, have both been assigned

Wilcox Department Store.

to Egbert, Wyo., lately and that a new crew has charge of the station at Hershey.

While you are out shooting ducks beware of the gay and festive prairie chicken and lay low.

Miss Sadie Trovillo is attending the Nativity school at North Platte that began on Monday. Her parents took her down on Sunday.

Wm. Ware is quite ill at his home just west of Hershey.

A series of club dances are now being held at the hall in Hershey.

Mrs. A. M. Stoddard at this time is visiting in the lake country near Lena.

Ed Ewel of Grand Island was the guest of E. F. Seeberger last week on business pertaining to the sugar beet crop in that country.

COMMISSIONERS' PROCEEDINGS

Sept. 5, 1901.

Board met pursuant to adjournment. Present full board and county clerk.

Bids for building jetties in the river at Brady Island were opened and examined and contract awarded to A. Abercrombie at \$1.25 per lineal foot, his bid being the lowest and best bid.

Board adjourned until tomorrow.

Sept. 6, 1901.

Board met pursuant to adjournment. Present full board and county clerk.

Bill of A. L. McNeel for services and mileage as county commissioner allowed on the general fund for thirty-four dollars, whereupon the board adjourned without date.

STATE NEWS.

A woman at Syracuse became insane from reading trashy novels, whereupon the Nebraska City News wants to know how a woman who would read that kind of literature could become insane.

The Willow Springs distillery at Omaha has been shut down for some time but has resumed at half its capacity.

The death rate at Lincoln last year was 1.18 per thousand, which places it among the lowest of the cities of the country.

The state university football team will go to South Bend for a three weeks' training prior to the opening of the season.

A 14-year old boy named Van Cleve, son of the matron of the industrial home at Geneva, suicided by taking carbolic acid.

A Syracuse man cut from a plum tree in his yard a branch of a little over four inches in length containing twenty perfect plums.

A Hitchcock county man killed eleven rattlesnakes in one nest the other day, and secured enough material to start a button store.

H. B. Reed shipped in 900 head of steers last week from New Mexico and will winter them on his Keith county ranch.

The Farmers' Bank of Broken Bow which closed its doors last week has liabilities of \$48,000, but it is believed it will be able to pay out.

Chas. Wake brought to our office Tuesday an apple grown last year which is still sound. It had been kept in the cellar and gone through the floods of the past summer. —Cozad Tribune.

G. C. McAllister has traded his homestead in Logan county, Colorado, sight unseen, to a man in Indiana for a buggy. George is now anxiously waiting the arrival of the buggy to see who got skinned. —Chappel Register.

The Overton high school building was totally destroyed by fire Tuesday night, entailing a loss of \$5000, on which there is \$3000 insurance. The building, a two-story structure, a fine library valued at \$400, besides the furniture was destroyed. The fire originated up in the belfry next to the roof and spread with such rapidity that all efforts to get it under control proved futile.

The youngest son of James Mc Mullan was bitten by a rattlesnake while at the cemetery with his aunt Miss McAleese and Miss McKee, Tuesday afternoon. The child was walking between the two

ladies and the snake, which was coiled up in the grass, struck him just below the shoe top. Prompt attention was given the wound and aside from a slight swelling there has been no bad effect. —Sidney Telegraph.

A state exchange is advocating the organization of a society for the prevention of cruelty to vegetation. That's right. It should be done. Just think of digging the eyes out of potatoes; pulling the ears from corn, eating the heads of cabbage, pulling the beards out of rye, threshing wheat, cutting the heart out of a tree, spilling the blood of a beet, tearing the skin of a peach, breaking the neck of a squash, scalding the lettuce, quartering the apple, squeezing the lemon and many other such outrages.

Railroad Notes.

The wrecking outfit which had been stationed at Sidney for several years, has been brought to this city and will be dismantled.

L. A. Mullen, chairman of the grievance committee of the B. of L. F., will go to Omaha tonight on business connected with that order.

Only twenty-four cars of fruit were iced here in twenty-four hours ending yesterday morning. The fruit shipments are falling off very rapidly.

Caboose No. 2114 passed through Sunday westward bound. This is the first one to arrive here painted according to the new order a box car red.

E. B. Heinze, who has been employed in night car repair gang, has been transferred to a similar position in the day gang and began work Sunday.

A solid train of forty cars of stock—thirty-two cars of sheep and eight of cattle—passed east yesterday. It was a train that railroads like to catch.

Large quantities of California dried fruit are now being shipped over the Union Pacific. This is said to be an indication that enough cars could be secured to transport the fruit in a green state.
